		Current Employer or N/A:

1. How would receiving a computer impact your financial situation and ability to achieve your academic or career goals?

2. Describe a significant failure you experienced during your time in service, the challenges it presented, and the key lessons you learned that have shaped your growth.

3. Describe a time you had a significant disagreement with a peer or coworker. How did you handle the situation, and what did you learn from the experience?

4. Describe a time you were assigned a responsibility beyond your usual scope of duties. How did you adapt, what challenges did you face, and what did you learn from the experience? 5. Describe the most challenging project you have worked on. What obstacles did you encounter, how did you approach them, and what key lessons did you take away from the experience?
